DETAILED ACTION

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 78, 80, 96 and 97 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claims 78 and 80, the recitation "an increased sized perimeter" renders the claims vague and indefinite since it is unclear what is being claimed by the Applicant.

Appropriate correction is required.

Response to Arguments

Applicant's arguments with respect to the claims have been considered. Applicant's amendments to claims 78 and 90 do not overcome the rejections under 35 USC 112 second paragraph for the reasons mentioned in this office action.

Applicant is also requested to provide a complete listing of the claims with the proper status identifiers. For e.g. claims 98 and 99 are missing in the listing of claims provided with the amendment filed on May 10, 2010.

Allowable Subject Matter

Claims 1-2, 5, 7-8, 12, 14-37, 39, 86, 89 and 90 are allowed.

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
